# Mid-Month

July

Your MPOTAC Board “met” virtually this month via Zoom on Monday June 8<sup>th</sup> at 7:30 PM. Discussion items included the Sunday August 2<sup>nd</sup> Annual Club Picnic and celebration of **MPOTAC's 60<sup>th</sup> Anniversary**. *Cooks and set-up volunteers are still needed!* Friendship Day Chair Bob Moll has retired from that office; he reminds us that a new Chairperson must be in place by this October to ensure preparations for FSD 2021. Finally, President Bill Bratt announced he would not run for a 2021 office.

## **MPOTAC “Social” via ZOOM** Friday, June 26<sup>th</sup> at 7:30 PM

Some members have asked about resuming MPOTAC General Meetings. Public health mandates currently keep organizations from holding physical meetings, so the Board will hold the next General Meeting via Zoom. [Bring your own dessert & coffee.] Treasurer, Rob Guzzetta will host this meeting, emailing a link to all members on 6/26, allowing us to “sign in” that same Friday night. NOTE: For those not familiar with the ZOOM service, Rob will offer assistance at his email address: [splithead6fan@gmail.com](mailto:splithead6fan@gmail.com) President Bill Bratt will entertain member questions and ideas. We ask that members observe normal courtesy; allow other members to complete their remarks without interruption. This protocol allows all members in the meeting to hear your voice. We look forward to “seeing” your face and “hearing” your voice that Friday night.

lengthy **TERMS & CONDITIONS** list limits the Museum’s liability and requires that “Participants agree to remain for the entire event 10:00 am - 2:30 pm. No Early Load Out is permitted unless preapproved.”

## **“Coming Attractions”**

**Antique Auto Parts Sale** – Jim Fortes, son of the late Adele and Manny Fortes will offer part of his family’s collection – date to be announced.

**“My Second Car”** – Past President Bob Moll weaves a tale about a Plymouth sedan, driver’s license test, Mom, Dad, girlfriend, church summer camp, being mistaken for a taxi and a “shortcut” over a flooded bridge. Bob would eventually sell this same car 3 times.

**“Young and Dumb”** – Dr. Pete Stucker tells the story of his long-gone MG TD. Heard about heart breaks over English cars? Pete lived to tell the story.
